

ETP-100MBV AUX LAX – Surface Mounting Emergency Phone

Description

The **ETP-100MBV AUX LAX** is an indoor rated hands-free Emergency Phone with auxiliary inputs/outputs and voice identification feature.

Features

- Vandal resistant stainless steel enclosure can be surface mounted
- Uses regular phone lines or PBX
- Phone line powered: no power supply or battery back-up needed
- Auxiliary input triggers a call on contact closure, then speak hands-free
- Two auxiliary outputs can activate a strobe or a light, as well as remotely control a door, CCTV or other device
- Built-in auto-dialer can dial two numbers: if first number doesn't answer or is busy, dials second number
- Auto-answer allows security to monitor and initiate calls with Emergency Phone
- Automatically identify attendant of location of calling phone by recorded message and digital display
